## PATENT APPLICATION

Serial No: 10/797,690  
Filing Date: March 10, 2004  
Inventors: Madhwa H.G. Raj *et al.*  
Title: Treatment of Prostate Cancer  
Atty Docket: Raj 02M27.1

Examiner: Rawlings, S.  
Group: 1642

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

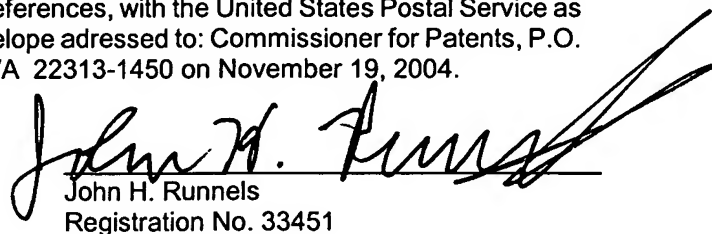

### SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

In accordance with the duty of candor and good faith imposed by 37 C.F.R. §1.56 and means of complying therewith according to 37 C.F.R. §§1.97 and 1.98, the references listed on the attached Information Disclosure Citation are called to the attention of the United States Patent and Trademark Office in connection with the above-identified patent application. Copies of the cited references are enclosed. No admission is made that the cited art represents the prior art or that the cited art is the most material art.

---

### CERTIFICATE

I hereby certify that this Supplemental Information Disclosure Statement is being deposited, along with an Information Disclosure Citation and copies of 15 cited references, with the United States Postal Service as first class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on November 19, 2004.

  
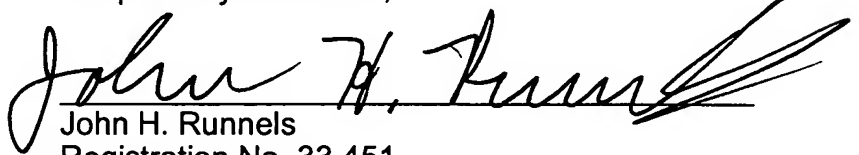

John H. Runnels  
Registration No. 33451

November 19, 2004

Applicant hereby requests that the enclosed references be considered in the prosecution of the above case. Since no office action has been received in this case, Applicants believe no fee is due. If this is incorrect, please refer to the general Deposit Account Authorization previously filed in this application.

The Office is urged to consider the cited references and to make an independent decision with respect to their materiality.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "John H. Runnels", is written over a horizontal line.
